

THE BASIC PRINCIPLES OF SUPERVISION

Descriptive

At the end of the workshop, the participant will be able to better define the supervision of trainees as well as essential functions and roles. He will have acquired knowledge that will allow him to update the supervision process.

Competency

To take on the appropriate role as a supervisor, at the appropriate moment, and acknowledge its impacts on the trainee's learning and skills development.

Units

Unit 1: Supervision

Unit 1.1 Parameters of supervision

Unit 1.2 Functions of supervision

Unit 1.3 Boundaries of supervision

Unit 2: Andragogy

Unit 2.1 Principles of andragogy

Unit 2.2 Reflective practice

Unit 3: Roles and responsibilities

Unit 3.1 Roles of supervisor

Unit 3.2 Responsibilities of participants

Unit 4: Placement

Unit 4.1 Definition of placement

Unit 4.2 Course of training

Unit 5: Tools and supervision strategies

Unit 5.1 Tools to enhance supervision
